Key Knowledge and Skills

Key Vocabulary

Where in the United Kingdom is Scunthorpe?

Scunthorpe

Scunthorpe is a large industrial town in the county of North Lincolnshire in England. Scunthorpe is south of the River Humber and Hull but is north of Lincoln. It is famous for its steel making due to the local Steel Works.

Where is St Bernadette's Catholic Academy?

St Bernadette's is located on Anne's Crescent in Ashby, Scunthorpe, close to Queensway (A18). Check the map to see how to get from Queensway to school. What route could you take?

Types of Housing

Terraced

A row of three or more houses attached together by their walls.

Detached

A house that is not attached to any other houses.

Word

Definition

village

A village is a small settlement with a small number of houses for a few hundred people.

town

A town is a larger settlement than a village. It has thousands of people and more shops and houses than villages.

human features

Human features are things that have been built by people like houses, roads and bridges.

physical features

Physical features are natural and they would be here even if there were no people around like seas, mountains and rivers.

fieldwork

Fieldwork means practically investigating human and physical features to answer a geographical question.

observe

Observation is a way of gathering data by watching behaviour, events, or noting human or physical characteristics in their natural setting e.g. number/types of housing.

measure

The process of determining size, capacity, or quantity of a human/physical feature.

record

Gather evidence or write down information during fieldwork e.g. tables, tally charts, sketch maps, field sketches, photographs.

How Did Scunthorpe Develop Overtime?

Scunthorpe developed into a town over time. Originally, Scunthorpe was 6 separate villages of Scuthorpe, Bottesford, Froddingham, Crosby, Brumby and Ashby. Over time, these villages expanded and eventually joined together to form Scunthorpe.

Can you locate the villages on this map from the 1890s?

Semi-Detached

A house that is attached to one other house by the walls on one side.

Flats

Homes that are on one floor and multiple homes stack on top of each other. In many cities, there are high rise flats which can have more than 20 flats/homes in one building.

Fieldwork/Geographical Skills

L.O.2: To begin to develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

L.O.11: Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps and graphs.

sketch maps

An outline map drawn from observation rather than from exact survey measurements and showing only the main features of the area.

graphs

A diagram that shows a relationship between two or more changing things by lines, bars or dots.

map

A map is a picture of a place that is usually drawn from an above viewpoint. There are lots of symbols on maps.

key

A key is a list of symbols that appear on the map.

symbols

Symbols are small pictures that stand for different features on a map.

A Ordnance Survey Key

Villages that Formed Scunthorpe

Bottesford

Bottesford is located south of Scunthorpe. A physical feature in Bottesford is Bottesford Beck which can be seen on the 1890s map above.

Froddingham

Froddingham is located directly south of Scunthorpe town centre.

Crosby

Crosby is located in the north west area of Scunthorpe, north of the railway line.

Ashby

Ashby is located north of Bottesford but south of Brumby and the railway line.

Brumby

Brumby is located north of Ashby but south of the railway line.
