## Riches of the Rainforest

Key Knowledge and Skills		Key Vocabulary	
<p>Collage</p>  <p>representations of the rainforest inspired by Henri Rousseau's Tiger in a Tropical Storm- surprise!</p>  <p>Botanical Art</p> <p>Observational sketching and</p>  <p>drawing of plants inspired by Margarett Mee using watercolour techniques.</p>   		Word	Definition
		Collage	a piece of art made by sticking various different materials such as photographs and pieces of paper or fabric on to a backing
		watercolour	artists' paint made with a water-soluble binder such as gum arabic, and thinned with water rather than oil, giving a transparent colour
		botanical	relating to plants
		impressionist	The artists representation of the object rather than a photo like representation
		conservationist	A person who advocates or acts for the protection and preservation of the environment and wildlife.
		3D	the quality of being three-dimensional.
		mood	inducing or suggestive of a particular feeling or state of mind
		perspective	the art of drawing solid objects on a two-dimensional surface so as to give the right impression of their height, width, depth, and position in relation to each other when viewed from a particular point.
		inspiration	the process of being mentally stimulated to do or feel something, especially to do something creative
		foreground	the part of a view that is nearest to the observer, especially in a picture or photograph
		Colour wash	Technique of painting a background impression
Artists			
 <p>Henri Julien Félix Rousseau was a French post-impressionist painter</p>		 <p>Margaret Mee was both a botanical artist and a conservationist who specialised in painting the flora of the Amazon Forest. She also made a significant contribution to the worlds of science and conservation</p>
