

St Bernadette's Catholic Primary Voluntary Academy
Geography Medium Term Planning - KS1 Term - Advent Cycle A Topic: Animal Antics
Can you name the world's seven continents and five oceans?

Prior Knowledge

Year 1 Children's Prior Knowledge

EYFS

Lent Topic: "The Animal Kingdom"

- Recognise some environments that are different to the one in which they live.
- Use a simple world map, globes and maps in an atlas to locate the continents of Antarctica, The Arctic and Africa (locating where animals live).

Year 2 Children's Prior Knowledge

EYFS

Lent Topic: "The Animal Kingdom"

- Recognise some environments that are different to the one in which they live.
- Use a simple world map, globes and maps in an atlas to locate the continents of Antarctica, The Arctic and Africa (locating where animals live).

KS1 (Learning from Year 1)

Cycle B Advent Topic: "Blast From The Past"

- Use maps and atlases to locate the surrounding seas of the United Kingdom.
- Create their own maps for their own imaginary city - including landmarks and physical features of choice and a key.

	Learning Objective	Activity	Key Knowledge (By the end of the lesson)		Vocabulary (Tier 3)
			Substantive	Disciplinary	
Lesson 1	L.O.1: To be able to understand basic subject-specific vocabulary relating to human and physical geography. Ongoing geographical skills	Talk about what human and physical geography is. Look at pictures and identify which are human and physical features. Powerpoint. <u>Activity</u> Children to sort human and physical features from around the world (from different continents and oceans).	<ul style="list-style-type: none"> ● Know that human features are made by humans ● Know that physical features are on earth naturally. 	<ul style="list-style-type: none"> ● Identify human and physical features. 	human features physical features

Lesson 2	<p>L.O. 9: To be able to use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage.</p> <p>Geographical skills and fieldwork</p>	<p>Recap on human and physical features.</p> <p>Introduce the continents and oceans</p> <p>Activity Children to locate the oceans and continents in an atlas, on a map and on the globe (practical lesson).</p> <p>Complete globe puzzle - introduction/plenary</p>	<ul style="list-style-type: none"> ● Know that globes, atlases and maps are used for finding where places are in the world. ● Know that there are seven continents and five oceans 	<ul style="list-style-type: none"> ● Begin to identify where the continents and oceans are on maps, globes and atlases, 	<p>globe atlas map continent ocean</p>
Lesson 3	<p>L.O.4: To be able to name and locate the world's seven continents and five oceans.</p> <p>Locational knowledge</p>	<p>Focus on the continents. Go through information about the seven continents, including where they are on a map, countries, climate etc.</p> <p>Activity Children to label the seven continents.</p>	<ul style="list-style-type: none"> ● Know that the seven continents are Asia Africa North America South America Europe Oceania Antarctica 	<ul style="list-style-type: none"> ● Locate the seven continents on a world map 	<p>country location Asia Africa North America South America Europe Oceania Antarctica</p>
Lesson 4	<p>L.O.4: To be able to name and locate the world's seven continents and five oceans.</p> <p>Locational knowledge</p>	<p>Focus on the oceans. Go through information about the 5 oceans.</p> <p>Activity Children to label the 5 oceans.</p>	<ul style="list-style-type: none"> ● Know that the five oceans are Atlantic Ocean Pacific Ocean Indian Ocean Arctic Ocean Southern Ocean 	<ul style="list-style-type: none"> ● Locate the five oceans on a world map 	<p>Atlantic Ocean Pacific Ocean Indian Ocean Arctic Ocean Southern Ocean</p>

Lesson 5	<p>L.O. 5 To be able to identify the location of hot and cold areas of the world in relation to the Equator, and the North and South Poles.</p> <p>Human and physical geography</p>	<p>Recap on the 7 continents and 5 oceans, where are they etc.?</p> <p>Focus on the climate of each continent - main differences/hot and cold climates</p> <p>(Mention what animals live in each continent/ocean (link to habitats later in the year)</p> <p>Focus on North America, South America and Africa</p> <p><u>Activity</u> Identify the climate in each continent. Compare the different climates.</p>	<ul style="list-style-type: none"> • Know there are hot and cold areas in the world • Know that North America has a mix of climates • Know that South America has a warm/hot climate • Know that Africa has a warm/hot climate 	<ul style="list-style-type: none"> • Use a map to identify the climate of each continent 	<p>climate hot warm Cold Equator North America South America Africa</p>
Lesson 6	<p>L.O. 5 To be able to identify the location of hot and cold areas of the world in relation to the Equator, and the North and South Poles.</p> <p>Human and physical geography</p>	<p>Continue with lesson from last week</p> <p>Focus on Europe, Asia, Oceania and Antarctica</p>	<ul style="list-style-type: none"> • Know that Asia has a warm/hot climate • Know that Europe mainly has a warm climate • Know that Oceania mainly has a hot climate • Know that Antarctica has a cold climate 	<ul style="list-style-type: none"> • Use a map to identify the climate of each continent 	<p>Europe Asia Oceania Antarctica climate hot warm Cold Equator</p>
Lesson 7	<p>L.O.4: To be able to name and locate the world's seven continents and five oceans.</p> <p>Locational knowledge</p>	<p>Full recap on all the continents and oceans.</p> <p>What do we know about the continents already? - link back to climates and any physical/human features can remember from any of the continents</p> <p><u>Activity</u> Children complete booklet about each continent 1 or 2 facts about each one - focus on size of continent (song order) ASIA, AFRICA, NORTH and SOUTH AMERICA</p>	<ul style="list-style-type: none"> • Know that: -Asia is the biggest continent -Africa is the second biggest continent -North America is the third biggest continent -South America is the fourth biggest continent 		<p>Biggest</p> <p>Asia Africa North America South America</p>
Lesson 8	<p>L.O.4: To be able to name and locate the world's seven</p>	<p>Continue from previous lesson - complete booklet - remaining continents What do we know about these</p>	<ul style="list-style-type: none"> • Know that: -Antarctica is the third smallest continent 		<p>Smallest</p> <p>Antarctica</p>

	<p>continents and five oceans.</p> <p>Locational knowledge</p>	<p>continents already?</p> <p>Activity</p> <p>1 or 2 facts about each one - focus on size of continent (song order)</p> <p>ANTARCTICA, EUROPE, OCEANIA</p>	<p>-Europe is the second smallest</p> <p>-Oceania is the smallest continent.</p>		<p>Europe</p> <p>Oceania</p>
Lesson 9		<p>End of topic quiz - Memory Mash up style quiz on whiteboards</p>
