

OUR HUMBLE BEGINNINGS

FORMED IN LOVE

TO THE GLORY AND HONOUR OF GOD

From our founding days, children enter a warm and loving school where each and every child is seen as unique and special; and all can blossom and flourish in a school that is imbued with the Christian Virtues of FAITH, HOPE, and LOVE.

At our Official Opening Ceremony, children are dressed in their smart school uniform and gather in front of the school with their families, teachers, parishioners, and priests, all joining together in prayer, and singing hymns of praise and thanksgiving to God.

Speaking to all of those gathered, the Right Reverend Bishop Edward Ellis said,
“May God reward all those who have helped build this school.
May He so bless it that its scholars, the young men and women of the future,
may be the joy of their parents, the pride of their town, and a glory to God.”

THE HOLY INFANT JESUS

Upon our school's opening, on a windowsill in each classroom there is a small statue of a boy dressed in royal robes of red, white, and gold. Upon His head the boy wears a kingly crown for He is the King of kings.

Adorning the yoke of His robes is a heart of gold filled with tender love. Below this rests a golden cross recalling the awesome sacrifice He made to open the Gates of Heaven to all who believe in Him and love Him.

In His left hand He holds a blue orb which represents the whole world because everything that exists in all of Creation was created by Him. By His almighty power, His right hand bestows God's blessing upon us for the boy in the statue is the Holy Infant Jesus, the Eternal Son of God.

Jesus directs His tender gaze towards the children in their new school, and He reminds us that God did indeed live among us as a young boy, and was raised in the loving family embrace of Mary and Joseph.

THE JOY OF LEARNING

In the Entrants Class (top left) children are busy at work, building big alphabet blocks, arranging number cards in sequence, and forming new words from their widening vocabulary.

Meanwhile in the hall, junior pupils from Form X gather under the gentle gaze of Our Lord Jesus and Our Lady to make beautiful music with jingle bells, castanets, cymbals, drums, tambourines, triangles, and wooden blocks, led so capably by their young conductor.

In Infants III, the class teacher guides the children in Mathematics as they learn about shapes and patterns through problem-solving, and Form III pose for their class photo with smiling faces full of joy.
