Dear Parents/Carers,

We have been made aware that several titles in the **Spy Dogs, Spy Pup, and Spy Cat series by Andrew Cope** contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions.

Following the alert, we have checked our digital library system and classroom bookshelves and would like to reassure parents that the school does not possess any copies of these books.

Below are images of some of the front covers in the series to help you identify the books should you have any copies at home. If so, we advise you remove them immediately.

Yours sincerely,

Mr. M. Strong

Headteacher
