Monday 7th June 2027	Academy opens for all pupils
Wednesday 21st July 2027	At home time, academy closes for Summer holidays

Striving for excellence in all that we do, reflecting the Light of Christ to the world

NSPCC Number Day

We would like to thank parents for the generous donations sent in to support our recent NSPCC Number Day. The children enjoyed taking part in a series of number-related activities on the day, and we raised a total of £204.49 for the charity. Thank you for your support.

Change to Reporting of Accidents

Commencing after half-term, we will be making a change to the way we report to parents any pupil accidents that occur on the school premises. Currently, a medical note is placed in your child's bag and an Arbor App message is sent on the day of the accident, however, from after half-term, notification will be sent electronically via email to both primary guardians and you will no longer receive a paper medical note.

Please ensure that you have provided school with the email addresses of both primary guardians for your child/children. To ensure that you do not miss important communications from us, on your phones please enable your email notifications to receive alerts that an email has been received from the school.

Please be assured that when a child is unwell, or has a more serious accident, the academy will always contact the parents by telephone as soon as possible, in addition to the standard notification via email.

Arbor App Consents

The academy has been updating its parental consents in line with various legal requirements and Trust policies. All parents should have received a notification via the Arbor App to update these consents for each of your children at the school. Currently, we still have a significant number of parents who are yet to complete these.

Where applicable, therefore, can we ask all parents to complete this task as soon as possible. These consents provide us with important information and it is important that the academy acts in accordance with the wishes of parents in line with GDPR regulations. For families with more than one child at the academy, please ensure that you complete these consents for each of your children via the App.

We would be grateful for this task to be completed by all parents by the end of half-term. Thank you for your cooperation with this important matter.

Footwear

A reminder that all children are required to wear a pair of black plimsolls indoors, and a pair of black school shoes for outdoor use – not trainers. We currently have a significant number of children with incorrect footwear. In sending your child to St. Bernadette's all parents agree to abide by the academy's uniform policy. Please can we ask all parents to ensure that you provide your children with the correct footwear, and that these items are labelled with your child's name. Thank you.

Bicycles

We kindly request that any child coming to school on a bicycle also brings with them a lock to secure this to the fencing. Please help us to keep your child's bicycle safe by ensuring you provide your child with a suitable lock.

Parking

A reminder that there is no on-site parking for parents in a morning, other than for disabled drivers. Parents bringing their children to Breakfast Club should park on Anne's Crescent and walk their child to the hall doors. A small number of parents are using the school grounds to drop off their children, including making use of the staff car park. This is not allowed.

A number of early morning deliveries take place to the school kitchens and parents coming in and out of the site risks affecting these. Parents who ignore this rule may well find themselves blocked in on site for some time whilst the deliveries take place. Thank you for your cooperation with this important site rule.

I would like to wish all of our children and families a restful half-term and we look forward to seeing the children return after the break.

Yours sincerely,

Mr. M. Strong,
Headteacher
